PERSONAL STATEMENT

Architect with a keen interest for interior design and furniture. Work history includes a diverse range of activities and roles: from furniture sales, showroom and bespoke furniture design, to working in architecture studios, as well as managing a small bespoke design and construction company with a reliable team of labourers, contractors, and providers. Highly responsible and detail-oriented, with excellent interpersonal skills and work team competences. Ability to talk and conduct business in English, Spanish, and Italian.

PROFESSIONAL EXPERIENCE

HAVENLY | June 2018 - Present

Interior designer

Interior designer for one of the U.S. leading e-design platforms. Develop concept, visual imagery, sourcing products from a wide range of vendors creating a custom shopping list to deliver full interior styling for clients all over the U.S.

B ARCHITECTURE + INTERIOR DESIGN | 2014 - 2017

Architect and Building contractor

Renovation of houses and apartments for high profile clients.

- Design development, tender and construction drawing packages.

- Lead pricing and sourcing process of projects, as well as monitoring spends during construction - ensuring projects were delivered within budget.

- Managed a team of 20+ from providers, and contractors, to labourers.

- Liaised with contractors involved on projects.

EL CARMEN PARK - Freelance | 2014
