Professional Profile

My name is Khemika Laksanabencharong (Khem). For the past six years, I have been studying in the fields of design and architecture, graduating with a Bachelor of Commercial Interior design 2015 and Bachelor of Design in Architecture 2018. I am an outgoing person, who is willing to learn and explore new skills. I am also a great team player, and up for new challenges and experiences that will allow me to grow in this design industry.
