Hi Kate,

My name is Akea Scott and I am in my third year of a Bachelor of Design (Interior Design) at Design Centre Enmore.

Tracey Sernack-Chee Quee gave me your details about a possible internship with you at Chada.

I'm interested in a broad range of design areas including retail, hospitality, commercial and residential design and hope to develop a career in these areas.

Previous to this degree, my career has been primarily in leadership, sales management and operations. I enjoy the design process and conceptual thinking methods taught at DCE. I also enjoy working in Revit and Adobe suite.

Last year I was one of ten lucky students to be selected to participate in a study trip to Italy for the Venice Biennale Architettura, which was an amazing experience.

Attached is a snapshot resume and an overview of some of my favourite recent projects.

I would love the opportunity to meet with you to discuss how we could potentially work together and what I could bring to your business.

Best Regards,

Akea Scott
