- MS Suite

Professional Experience

Dezign

Design Consultant - Interior Design

July 2016 – Present (3 Years, 4 Months)

Summary

During my time at Dezign, I was involved in conducting a wide range of commercial, hospitality, hotels, education and government projects valued up to \$1.5 Million throughout Regional and Metropolitan NSW and VIC. Being a smaller company, I was accountable across a number of different specialisations including Estimations/Quotations, Marketing Materials, Project Management and End-to-End design from conception through to delivery.

Responsibilities

- Concept designs and renders
- Space maximisation with detailed plans and drawings
- Client presentations including inter-reactive 3D spacial renders and mood boards
- Partner with the sales team to develop and maintain trusting professional relationships with clients
- Work successfully with a wide range of stakeholders, including Clients, Management, Sales, Project Management, Manufacturing and Contractors to deliver quality design.
- Create high quality designs with tight budget and timelines
- Create client pitch presentations including:
 - Initial Space Planning and Floor Plans
 - Elevation Drawings
 - Construction Detail Drawings
 - Integrated with Sales/Estimating team to ensure budget and timelines achieved
 - End to end design input from concept to completion
 - Design and produced CAD files, drawings and renderings of over 100 pieces of bespoke furniture

Capabilities:

- Proven intuitive design coordination
- Extensive experience in Revit
- Experience in Adobe Creative Suite
- Proven results in customised and bespoke furniture and joinery solutions
- High attention to detail

Direct Client Interaction Include:

- State Government Departments
- Local Council Projects
- Tier 1 & 2 Construction Companies
- Tier 1 & 2 Architects
- Specialised Hospitality Architects
- Club and Hotel Group Operators
- International Hotel Operators

Education

Sydney Design School

2013 - 2014

Advanced Diploma of Interior Design, Interior Design
