ABOUT:

An experienced and eager interior designer I am always keen to learn new skills to enable me to grow professionally & creatively.

With over 9 years' experience across the design spectrum gaining experience overseas and in Australia has allowed me to develop skills and knowledge in order to complete any task that I undertake. I work well within a team or on my own and I thrive under pressure, able to meet quick turnarounds in a short amount of time whilst paying attention to fine details. I have a passion for design, and I thrive for creative challenges.

I am skilled in AutoCAD, 3D Max, Photoshop and Microsoft Office. Adept at leading multiple projects.
