To whom it may concern,

It is my pleasure to recommend Misbah Zindani. I have known her for eight years in my capacity as an incredible interior designer at Ashary's. Misbah worked for me on various big projects world-wide and based on her talent and attribute towards my company, I would rank her as one of the best employees we have ever had. I've always been impressed with her ability to handle clients and to work well with her colleagues.

She greets clients with her captivating personality, and her expertise is such that she is always able to read client's mind and meet their expectations. With her dedication, she successfully managed to increase company's net profit up to 15% right after her probation. We're truly sad to lose her as an employee, but we know she'll be moving to your city very soon and progress more.

Misbah would be an excellent addition to your sales team. Furthermore, I believe she's ready for a lead designer position or even a superb sales person. She has an excellent rapport with her co-workers, and they enjoy working with her. I'm sure you and your clients would be impressed by her visions and personality as a designer.

If I can be of any further assistance, or provide you with any additional information, please do not hesitate to contact me at the email address listed above.

Yours Sincerely,

Arif Ashary.
